FLEX-SHARE USB-C CHARGING STATION

AC Adapter-Free, USB-C Charging

Charge and Secure Devices in an AC Adapter-Free Charging Solution!

Efficient USB-C Charging

Flex-Share stations feature Quick-Sense USB-C charging hubs that identifies the devices' power needs to deliver a fast and balanced charge.

Save Space

The Flex-Share may be easily mounted to a wall or desk, made mobile with casters, or stacked two-high to adapt to flexible layouts.

Reduce Lengthy Wiring

The Flex-Share Station is a low maintenance solution, eliminates the need for AC adapters, and saves technology teams time and resources.

Flex-Share USB-C Charging Stations are adaptable to flexible classroom layouts, device sharing, and more. Best of all, Quick-Sense USB-C saves technicians' time by eliminating AC Adapters. These modular and versatile charging stations can be conveniently mounted to a wall or secured to a desk, made mobile with casters, or stacked! The removable/reversible doors allow for adaptability to the space it is being used in. Flex-Share Stations efficiently charge up to 16 Chromebooks, Tablets, or Notebooks, without having to wire stations with AC adapters.

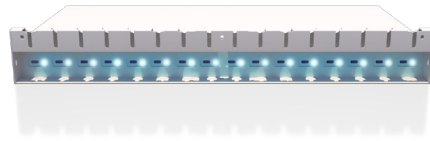

Emulator Adapter Cables

Never Wire Charging Stations Again!

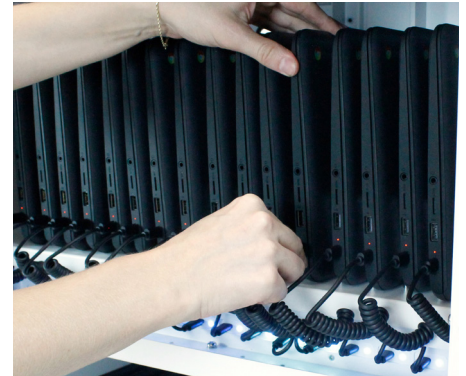

Universal Compatibility

Connect any device to the provided USB-C to USB-C dongle cables or get emulator cables for another port type.

Easy Serviceability

Quick-Sense USB-C Charging Hubs are self-contained and easy to remove from the station should they ever need service.

Always Ready to Charge

Dongle cables lock in place, so they are right where they are needed. Plug in a device at any time to start charging.

Flex-Share USB-C Features

Modular and Versatile

Flex-Share stations are able to be made mobile with casters, mounted, or stacked, allowing teachers to easily rearrange its position just as they would their tables and chairs.

All Steel Construction

The Flex-Share charging stations feature durable enclosures that guard devices against their environment and ensures the durability required for years of repeated use in classroom.
