8 USB-C Charging Ports!

UNIVERSAL USB-C CHARGING DOCK

End the search for free outlets and matching adapters by providing the Universal USB-C Charging Dock in areas where mobile devices are being used.

Adapter-Free

This solution comes with USB-C to USB-C cables, eliminating the need to search for matching adapters and greatly reducing cable clutter. It also provides more efficient and faster charging than AC adapters.

Universal Support

The Universal USB-C Charging Dock is designed to interchangeably charge phones, tablets, notebooks, and other mobile devices that utilize the new industry standard USB-C charging port.

Fast Charging

Capable of charging up to 8 devices simultaneously, the sophisticated charging technology automatically senses and adjusts the power supply to suit the needs of individual devices ranging from 2.5W to 65W.
